Lenten Evening Study

The Seven Deadly Sins

Wednesday, March 12, 6:00pm – 7:30pm

What are the seven deadly sins?

Are the deadly sins, or capital vices, merely outdated concepts unfit for our modern world? Or are they still relevant for today's spirituality? In addition to exploring the deadly sins' historical development and spiritual purpose, this study will also examine the life-giving virtues that point us to Jesus Christ, the virtuous medicine that heals any sinful ailment.

We are excited to announce that we will be joining with folks from Bethesda Episcopal Church for our Lenten Evening Study. Jon Kimel will lead this study. (See Bio below)

We will meet here at Christ Church in our Parish Hall for four evenings, March 12, 19, and April 2, 9. Childcare will be provided.
